MOVING F

Greenfield Schools have been vision? Schools full of students strive to be excellent and take schools and each student have

Our system-wide changes can advancement. We have students being "fee free" as much as possible contributions. We support the beginning instrument study in research and leadership.

In our middle school, citizens some practical living skills (life taught side-by-side with college classes—like entrepreneurial

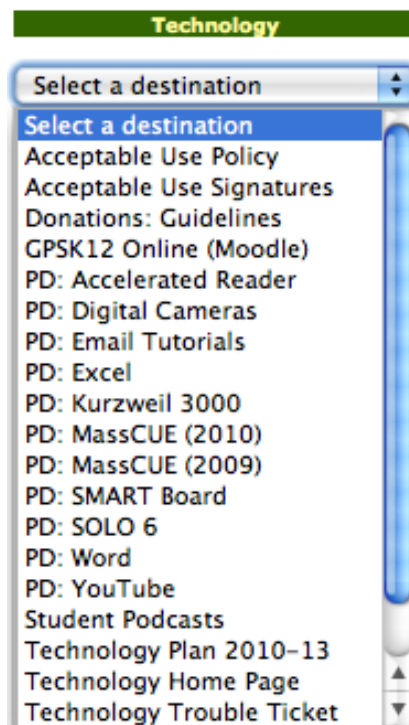

The school committee has 10 year with two Innovation Schools Massachusetts Virtual Academy Innovation Schools before the

We appreciate every parent who the support our parents bring program is in operation (Brain innovation.

Susan Hollins, Ph.D.
Superintendent

Page last updated: November 28, 2011

Click the -arrow at the right of the Select a Destination box to reveal numerous options

Each of these options offers resources you can access. For example, if you want to learn how to use Zimbra Email, click the link to **PD Email Tutorials**

If at some point Zimbra tells you that your password is no longer valid and asks you to choose a new password, here are the rules for your new password.

Note: Your new password must have the following characteristics:

No fewer than 6 characters

At least:

1 upper case letter

2 lower case letters

2 numbers

1 symbol (e.g., @, #, \$, %, &, *)

GPS Library Home Page:

There's a link to the GPS Library Web page (<http://library.gpsk12.org>) to access the books available at GMS, GHS, and soon to be online, Newton, Four Corners, and Federal Street.

Math Sites 4 Fun & Practice:

A page of Web sites for K-12 math practice

Math Sites for Skill-Building and Fun

If you have a favorite site that you'd like us to add to this list, send it carhol1@gpsk12.org. Be sure to include a brief description of what's available at the site, the grade level(s) it targets, and why you think it's a great resource.

All Grades
Elementary School
Middle School
High School
Puzzles & Brain Teasers
Math Fact Games (Gr. 3-8)

Study Island:

If you want to use Study Island MCAS prep site with your students, you'll need a login, which you can get by sending me an email.
