Fyi- Received this evening from Mike Kuchieski, our Athletic Director (AD). The Chair has asked that this be added to Monday's public agenda. The agenda will be amended accordingly.

Thank you,

Jordana B. Harper

In an effort to save Football in three rural communities with rich football traditions, Mohawk Trail and Turners Falls would like to enter into a COOP agreement with host school Greenfield High School. Mohawk Trail is currently fielding a team of 10-12 student-athletes, Turners has _____, and Greenfield 18. While all three schools are a bit reluctant to give up some of their traditions, we feel this is the best case scenario moving forward for the students and their communities. Mohawk Trail and Turners had a coop agreement last year, which turned out to be a major success for both communities. We think it is best to modify this agreement this upcoming football season, and felt that having a larger conversation involving another school community was the best course of action. Greenfield would be the host school due several factors including current roster size, current league affiliation, as well as its median geographical location in relation to the two other schools
