

Students: step by step guide to completing Kami assignment with Google Classroom

Video Tutorial: [How to Complete Classroom Assignments with Kami](#)

- Go to [Google Classroom](#), then choose a class from the list of **Classes** you're enrolled in.
- Click the **Classwork** tab to view work that has been **Assigned** to you, then select the assignment you wish to work on.
- In the preview, you will see an **Open with Kami** button that looks like the image this:

- Click **Open with Kami**, located above the document, to complete work in Kami.

- Your work will now open in Kami and you can complete your assignment using all the Kami tools.
- All done? Go to **Turn In**, located in the menu bar, then click the **TURN IN** button.
