GRIEVANCE PROCEDURE

A. A grievance is defined as a complaint by any employee, group of employees, or the Union, that there has been a violation, misinterpretation or misapplication of the terms of this agreement.

B. General Provisions

1. The Union shall have the right to be present and to participate in the processing of any grievance, at any level, once a grievance has been formalized and submitted in writing. In addition, at any time during an informal proceeding employees can request to have a union representative with them.

2. The time limits specified mean work days, exclusive of vacations and holidays, and are to be considered as maxima, with every effort made to expedite the process. The time limits specified may, however, be extended by mutual consent in writing.

3. No reprisals of any kind will be taken against any party by reason of participation in a grievance. All documents, communications and records dealing with the processing of a grievance will be filed separately from the personnel files of the participants.

4. Response at all levels of the grievance procedure shall indicate clearly the rationale for the decision and shall be communicated in writing to the grievant(s), the Union and the Chairman of the School Committee.
C. **Purpose**
The purpose of this procedure is to secure, at the lowest possible level, equitable and prompt solutions to problems which arise under this agreement. The Committee and the Union desire that such procedure shall remain as informal and as confidential as may be appropriate, and nothing in this contract shall be construed as limiting the rights of any employee having a grievance to discuss the matter informally with any appropriate member of the administration, provided the adjustment of the grievance is not inconsistent with the terms of this contract, and nothing in this contract shall be construed as limiting the Union from bringing other matters to the attention of the Committee in a manner other than as a grievance.

D. **Informal Procedure**
Any employee(s) having a complaint sufficient to state a grievance under the above definition, shall, prior to filing it under the formal procedure, discuss the matter informally with the employee’s immediate supervisor in an attempt to adjust such. Such discussion should be held no more than twenty-one (21) calendar days from the time the employee(s) knew or should have known of the act or condition on which the grievance is based. Employee(s) may request a Union representative be present for this discussion. A reasonable attempt by all parties must be made to secure a solution via the informal procedure as stated above. A class grievance may not be initiated beyond Level Two of the grievance procedure.

E. **Formal Procedure**

1. **Level One:** The employee(s) or the Union shall present the grievance to the immediate supervisor, in writing, within ten (10) work days after the completion of the informal procedure, including dates and circumstances where applicable, and the portion(s) of the contract on which the grievance is based. The remedy desired shall be stated at the time of the filing of the grievance at this level. If the remedy is not stated, the grievance shall be returned and the Union will have three (3) work days from receipt of returned grievance to indicate the resolution desired. If not stated within the above time frame, the grievance is considered dropped. Once submitted, the content of the grievance may not be changed. The grievance shall be answered within ten (10) school work days of its receipt.

2. **Level Two:** If the grievance is not settled in Level One, the Union may appeal it by giving a written notice of such appeal, within ten (10) working days after receipt of the immediate superior’s written answer, to the Superintendent of Schools or designee, who shall discuss it with the Union’s representative(s) or designee at a time to be mutually agreed upon. This meeting is to be held not later than ten (10) school work days after receipt of this written notice of appeal.

   The Superintendent or designated representative shall give a written answer to the grievance within ten (10) school work days after the close of the discussion.

3. **Level Three:** If the grievance is not settled in Level Two, the Union may appeal it by giving a written notice of such appeal, within ten (10) working days after such receipt of the answer of the Superintendent or designated representative, to the School Committee, who shall discuss it with the Union’s representative(s) or designee(s), at a time to be mutually agreed upon. This meeting is to be scheduled no later than fourteen (14) calendar days after receipt of this written notice of appeal.
The School Committee shall give their written answer to the grievance within **thirty (30)** days of the official grievance meeting.

4. **Level Four:**

   a. If the grievance is not settled in Level Three, it may be appealed to arbitration by a written notice of such appeal given by the Union to the School Committee within thirty (30) calendar days after the receipt of the written answer of the School Committee in accordance with the rules of the American Arbitration Association.

   b. The arbitrator chosen under the aforementioned rules of the American Arbitration Association shall not have authority to add to, subtract from, modify, change or alter any of the provisions of this agreement.

   c. The arbitrator shall decide the dispute and render their award, and the arbitrator’s award shall be final and binding on the parties. Each party shall bear the expense of its representatives and witnesses; and the fees and expenses of the arbitrator shall be borne equally by the parties.

F. **Processing and Settlement**

1. The parties agree to follow each of the foregoing steps in the processing of the grievance; and if any step the School committee’s representative fails to give a written answer within the time limit therein set forth, the Union may appeal the grievance to the next step at the expiration of such time limit.

2. The settlement of a grievance in any case, shall not be made retroactive for a period prior to the date the alleged grievance arose.

3. Every attempt will be made by all parties to a grievance to settle the matter outside of the regular work day for the grievant(s). The Committee will pay reasonable time to one (1) Union representative to investigate and/or process a grievance by an employee of the committee. Should there be an abuse of this provision by such agent of the Union, the Committee may discontinue such payments on such occasions.

**ARTICLE 10**

**JOB OPENINGS & FILLING OF VACANCIES**

A. Employees shall be notified of all job openings within their bargaining unit by written notice supplied to their usual place of assignment. **Notice of a bargaining unit vacancy shall be posted internally for 5 (five) working days before being advertised publicly.** When school is not in session, notices will be sent electronically and US mail in addition to posting at each place of assignment. Employees desiring to apply for the open position must submit their request in writing to the Superintendent or person so indicated on the posting notice. The job award will be made taking the following into consideration:

1. Qualifications and past performance;
2. Seniority
Where qualifications and past performance are relatively equal, seniority shall be the determining factor.

It is understood that any employee awarded a job on the above basis must demonstrate his/her ability to perform the job satisfactorily within ninety (90) calendar days.

The Superintendent or designee will furnish the Union with a copy of each job posting and the name of the person to whom the position is awarded.

B. If the Food Service Director wants to change an employee’s regular hours or school location of employment, the employee and the Union will receive notification ten (10) calendar days in advance, and they may request a meeting with the Food Service Director before the change goes into effect. **In the event where there is an immediate need to transfer an employee or make adjustments in their hours in order to maintain essential work functions, the change(s) may happen before the ten (10) days’ notice.** The employee’s needs as well as the Food Service Director’s reasons for the change will be taken into account before a change is made. The employee and the Union can appeal the Supervisor of Food Services’ decision to the Food Service Director and, if not resolved, to the Superintendent of Schools. The decision of the Superintendent is final.

**ARTICLE 11**

**SENIORITY**

A. Seniority along with past performance and qualifications will be used in regards to transfers. Seniority for an employee shall be defined and restricted to their continuous length of employment by the Committee. Past performance will include absenteeism, ability to work without direct supervision, work habits, attitude towards work and fellow employees and dependability. **Where qualifications and past performance are relatively equal, seniority will be the determining factor.**

B. Summer help shall not acquire or accrue any seniority while serving in such capacities.

C. An employee shall lose their seniority and cease to be an employee of the School Committee for any of the following reasons:

1. If the employee quits;
2. If the employee is discharged;
3. If the employee fails to report within five (5) days when recalled from lay-off;

**ARTICLE 12**

**LAY-OFF**

A. Natural attrition and/or retirements shall be taken into account prior to invoking the provisions of this section.

B. When it is necessary to reduce the number of employees, those affected by a lay-off will be notified, in writing, thirty (30) days prior to the time the lay-off will take place.
In the event of lay-offs, employees will be laid off in reverse order of seniority.

C. Any employee whose position is eliminated shall:

1. Be transferred to an open position for which they are qualified.

If this is not possible, then they may:

2. replace an employee with lower seniority where, within the school district, there is a position for which the employee whose position is eliminated is qualified to fill.

D. The Union shall be notified, in writing, of any employee(s) to be laid off at the same time as Section B above.

**ARTICLE 13**

**REHIRE**

A. Employees who have been laid off shall be entitled to recall rights for a period of two (2) years from the effective date of their lay-off. It is the responsibility of the employee to keep the Superintendent’s office informed of any changes in name, current address, or contact information.

1. During the recall period, employees shall be notified in writing to their last address of record and given preference for positions for which they are qualified in the inverse order of their respective lay-off.

2. Employees so notified shall have five (5) working days to respond, in writing, to claim the position.

3. All benefits which an employee had accrued up to the date of lay-off shall be restored in full upon re-employment within the recall period. No benefits or seniority shall accrue during the period of lay-off.

B. The Union shall be notified, in writing, of any employee rehired.

**ARTICLE 14**
