WELCOME BACK!

Welcome to the first issue of the Principal's Newsletter for Greenfield High School and the Green Wave Nation! In an effort to communicate more effectively with our students, parents, guardians, and families, this newsletter will be used as a way to promote in advance all of the wonderful events and activities happening at GHS for the following month! This newsletter will be issued via email on SchoolMessenger, posted on our website, and distributed at events each month. Please be sure we have a valid email address on file so you are sure to get your copy each month!

2nd Chance Breakfast at GHS!

Begins 9/3/19 at 9:20 passing bell in the Foyer!

There is very exciting news at GHS this year with the addition of our Grab and Go breakfast kiosk. Students will be offered a 2nd chance breakfast opportunity at the breakfast kiosk (pictured at left) at the 9:21 a.m. bell each day. Students will grab their 2nd chance breakfast food items, put their five-digit lunch code into the key pad, and continue on their way to class! As with anything new, we are going to iron out the kinks as we go, but we are ecstatic that students will be given a healthy option to fuel their bodies and minds so that they are able to focus and concentrate on learning!
