

SUPPORT STAFF POSITIONS

Education is a cooperative enterprise in which all employees of the school system must participate intelligently and effectively for the benefit of the children. This school system will employ support staff members in positions that function to support the education program.

The Superintendent will present to the Committee information related to any new positions and the fiscal impact of implementing the position. The Superintendent will maintain a comprehensive set of job descriptions for all positions.

Although positions may remain temporarily unfilled or the number of persons holding the same type of position reduced in event of de-staffing requirements, only the Committee may abolish a position it has created.
